**For Financial Professional Use Only. Not for Distribution to Individual Investors.**

This presentation has been prepared by InspereX LLC or an affiliate thereof ("InspereX"). This material is for financial professional use only and may not be distributed to any retail investor or other third-party. This information includes tools and services that are provided solely as a convenience to financial professionals and firms. The information included may be used to assist financial advisors and firms as they research potential vendors in support of various virtual events. InspereX does not endorse any vendor or product listed herein and there is no obligation to use any vendor or product listed. InspereX strongly suggests that firms perform their own due diligence—including technical and financial reviews—before making any vendor decisions. The use of these services does not ensure compliance with FINRA rules or other regulations or laws. Neither InspereX LLC, its affiliates nor its partners make any representations or guarantees as to the accuracy or completeness of data from third-party sources.
