

PROTECTION WITH POSSIBILITIES¹

Have past losses made you cautious about taking on risk with your investments? Has this caution resulted in sitting on the sidelines while market volatility continues?

Are you concerned that your savings are not generating the returns you need to meet your financial goals?

If you are interested in protecting your future and capturing potential investment growth, then don't miss our educational session on **Market-Linked Certificates of Deposit**.

These unique solutions can:

- Protect your principal against losses, if held to maturity²
- Increase the potential for growth and/or income¹
- Help you feel more financially prepared to meet your goals

Speak with your Financial Advisor about whether Market-Linked Certificates of Deposit may be the right solution for you.

¹Subject to particular offering documentation. Participation in any underlying or linked product is subject to certain caps and restrictions. There is no guarantee of return above principal.

²Return of principal is subject to the credit risk of the issuer.

This presentation was prepared by Incapital LLC. This information is for educational purposes only and does not constitute a solicitation or an offer to buy or sell any security.

Incapital LLC and its affiliates explicitly disclaim any responsibility for product suitability or suitability determinations related to individual investors. This information should not be regarded by recipients as a substitute for the exercise of their own independent judgment and the information provided herein is not an offer, solicitation or a recommendation to buy, sell or hold any security or investment strategy. There can be no assurance that the investments shown herein were or will be profitable and this material does not take into account any investor's particular investment objectives, financial situation, particular needs, strategies, tax status or time horizon.

The investment products discussed herein are considered complex investment products. Such products contain unique features, risks, terms, conditions, fees, charges and expenses specific to each product. The overall performance of the product is dependent upon the performance of an underlying or linked derivative financial instrument, formula, or strategy. Return of principal is not guaranteed and is subject to the credit risk of the issuer. Investments in complex products are subject to the risks of the underlying asset classes to which the product may be linked, which include, but are not limited to, market risk, liquidity risk, call risk, income risk as well as other risks associated with foreign, developing or emerging markets, such as currency, political, and economic risks. Depending upon the particular complex product, participation in any underlying or linked product is subject to certain caps and restrictions. Any investment product with leverage associated may work for or against the investor. Market-Linked Certificates of Deposit are subject to the credit risk of the issuer above FDIC insurance limits. Investors that sell complex products or Market-Linked Certificates of Deposit prior to maturity are subject to the risk of loss of principal, as there may not be an active secondary market. You should not purchase a complex investment product until you have read the specific offering documentation and understand the specific investment terms, features, risks, fees, charges and expenses of such investment. The information contained herein does not constitute an offer to sell or a solicitation of an offer to buy securities. Investment products described herein may not be offered for sale in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful or prohibited by the specific offering documentation.
